

BULA

Bula 2015

Winery: Aviva Vino

D.O.: Montsant

Wine Type: Red Wine

Varieties: 40% Mazuelo, 40% Garnacha, 20% Syrah

Alcohol: 14 %

The D.O. Montsant, where this winery is located is horse shoe shaped appellation that surrounds the D.O. Priorat on three sides. It should have been included on the Priorat appellation but was excluded when it was designated.

The grapes for this wine come from vineyards that are 30 years-old on average that are located on the towns of Darnós and Cornudella. The soils are similar to Priorat with Montsant being a bit more complex with a mixture of slate (llicorella), sandy clay and chalk. The varietal, Cariñena, was planted on sandy clay soil; Syrah on chalky soils and the Garnacha on slate, llicorella.

The grapes are hand-harvested. The wine is fermented for 15 days in stainless steel closed tanks. It was aged for more than 4 months in French and American oak barrels before bottling.

PRODUCTION: 2,500 cases for the US.

90 Points Issue #176 Sept/Oct 2014

"Brilliant ruby. Bright red fruits on the nose, with peppery spices and a floral pastille element adding nuance. Deep and appealingly sweet but energetic too, with good energy and lift to its raspberry and bitter cherry flavors. Silky tannins build slowly on the long, pliant finish, with the floral note echoing."
