

# BODEGA VIÑA NORA

**D.O. Rias Baixas**

**Address:** Bruñeiras, 7 36440 As Neves,  
Pontevedra

**Website:** [www.vinanora.com](http://www.vinanora.com)

**Year of foundation:** 2002

**Average annual production:** 239,000 bottles

**BODEGA VIÑA NORA**

## THE BODEGA

**Sub-area:** Condado do Tea is the only inland region out of the four regions that compose Rías Baixas. This unique location is noted for its granite soils with plentiful cobbles and a rainfall much lower than the region's average, and it favours an early and complete maturation of the grape. As a result, we are able to extract more of the variety's potential and a maximum expression of the land

**Vineyards:** 16 hectares of own vineyards planted in soils with a mix of washed gravel and decomposed granite

**Location and orography:** Located in Condado do Tea, grown on natural terraces and with an unpredictable orography that requires a manual harvest

**Altitude:** 600 m

**Climate:** Atlantic

**Average rainfall:** Much lower than the region's average

**Soils:** Soils with a mix of washed gravel and decomposed granite

**Age of the vineyard:** An average age of 25

**Pruning system:** Guyot-trained vines

**Plantation pattern:** 4 x 3

**Plantation density:**

**Average production:** 6,000 kg/ha

**Variety:** Albariño

**Vats and winemaking:** The winemaking process of Viña Nora wines is noted for its intention of not spoiling the delicate nature of the variety. This is achieved by employing very meticulous pressing, clearing and fermentation processes that maintain the subtle aromas and fragility of the Albariño variety

**Ageing:** Peitan is barrel fermented following the Burgundian method in 600 and 225-litre French oak barrels with subtle chars. A batonnage is carried out for 5 months, providing strength and complexity to the wine without spoiling the variety's subtle nature

**Wines:** Val de Nora, Nora, Nora Da Neve

## PEITAN 2017

**ORIGIN:** Peitán is made respecting the varietal aromas and the freshness of the grapes. Its character is the result of a direct pressing of selected grapes in their optimum point of maturation. These grapes are grown on small vineyards that are taken care of all year round.

**TOTAL PRODUCTION:** 16,500 bottles.

**VINTAGE:** 2017

**CHARACTERISTICS OF THE VINTAGE:** This vintage produced a very good grape in spite of the unfavourable climatic conditions. The climate was marked by a warm winter and a rainier spring than in the previous cycle. In terms of tasting, the influence of the climate on the young vineyards, from which Val de Nora is made, provided a varietal wine that is very aromatic and fruity on the nose and palate. We firstly come across the typical aromas of Albariño as well as citric notes.

### WINEMAKING

**VARIETY:** 100% Albariño.

**AGEING:** No ageing involved.

**WINEMAKING:** This wine is made respecting the varietal aromas and the freshness of the grapes. Its character is the result of a direct pressing of selected grapes in their optimum point of maturation. These grapes are grown on small vineyards that are taken care of all year round.

### VINEYARDS:

**AVERAGE AGE:** between 10 and 20 years.

**SOIL:** Alluvial soils over granite rock.

**CLIMATE:** An Atlantic type climate predominates, and because of the considerable rainfall (1400 - 2000 mm) and humidity, the vines are trellis-trained over granite posts with the aim of increasing their sun exposure and protecting them from fungal diseases.

### TASTING NOTE:

Straw yellow colour with green shades. It is a very aromatic wine where the notes of citric fruits, such as tangerine, stand out, as well as varietal and ripe notes, such as apricot. It has a floral bottom note with hints of bay. On the palate, it is a very fresh, varietal and persistent wine.

### PAIRING:

It pairs well with aperitifs, fish, Japanese cuisine, sushi, sashimi, octopus and seafood.

### TECHNICAL INFORMATION:

**ALCOHOL CONTENT:** 13% Vol.

**TOTAL ACIDITY:** 6 g/L (tartaric)

**RESIDUAL SUGAR:** 2.3 g/L

**VIÑA NORA was born in 2002** and it is perched on a natural terrace looking out on River Miño. Bodegas Viña Nora is located in the municipality of As Neves, within the winegrowing region of Condado do Tea, bordering Portugal. This location helps extract more of the Albariño variety's potential as well as capture the maximum expression of the land and its landscape in the wine.
