

Maipo Valley Trinidad Vineyard

The vineyard is planted with 377 hectares of vines, which are drip-irrigated with water from deep wells. At full production, yields of some 11 tonnes per hectare are to be expected. The vines are trained along a VSP system.

This wine is intense ruby red in colour. An expressive nose, rich in red and black fruit, especially berries such as strawberries, raspberries, blueberries and blackcurrants, which intermingle with notes of black pepper, caramel, tobacco and chocolate. This wine has well-balanced body, good structure and acidity and ripe tannins. Long, fruity and persistent in the finish. Best served at around 16°C, this wine pairs well with ripe cheese, grilled meat and well-seasoned dishes.
