

## PAZO DE MONTERREY

MENCÍA /

"Vivid ruby. Lively red/blue fruit and floral scents, along with intense, smoke-tinged mineral and white pepper flourishes. Juicy, focused and lithe in character, offering lively boysenberry and bitter cherry flavors that become sweeter and deeper as the wine opens up. Plays power off delicacy smoothly and finishes long, nervy and gently tannic, leaving a sweet floral pastille note behind."
