"The NV Oloroso 1730 VORS is not a vintage wine, 1730 is the brand, and it's produced from Palomino grapes aged oxidatively for at least 30 years. Deep chestnut-colored, the perfumed nose is redolent of mushroom, damp albero sand, vanilla and noble woods with a toasty-smoky character, very concentrated, even a little tannic. This will do well with meat stews."
