

Master of Wine Sarah Jane Evans' great value Spanish wines

"On a visit to Tandem a frequent sight outside is pilgrims passing along the Camino to Santiago de Compostela. Inside, the winery is a study in concrete, which enables the winemakers to make fresh, fruity, unoaked wines. I'm not a huge fan of Merlot in Spanish blends, but this Tempranillo-Merlot works well." Tasted by Sarah Jane Evans MW. **On 2014 vintage.**
