Bodegas Dominio Mano a Mano facilities are located near Alhambra (Ciudad Real). The winery is surrounded by 330 hectares of old Tempranillo vines. These ancient vineyards are cultivated on vaso system in sandy soils that lies beneath a pebbly, mineral, clay and limestone top layer, yield no more than two kilos of grapes per plant. The vineyards are 660 meters (1980 ft) above sea level.

The particularities of our vineyards makes it necessary to perform a careful harvest plan. The vineyards cover a relatively substantial area in which the maturity of the vines, which are trained using the goblet system and are on an average thirty years of age, is not completely uniform. This means that it is necessary to monitor the vineyards very carefully to be able to harvest the grapes at exactly the right moment.

Stainless steel fermented. Aged 8 months in American and French oak barrels.

PRODUCTION: 3,500 cases for the U.S.

90 Points - January 2017

"Opaque ruby. Aromas of fresh red berries, candied rose and vanilla, backed by a touch of smokiness. Energetic and focused on the palate, offering appealingly sweet raspberry and cherry liqueur flavors and an exotic, energizing suggestion of blood orange. Closes silky and quite long, delivering lingering spiciness and harmonious tannins that come on late." **On 2014 vintage**
