

A juicy full-bodied, smooth, dry red tamed by the addition of white varieties in the blend, and a small, well-judged touch of oak to soften the tannins and add complexity. The vines are of average age 80-100 years and they grow in clay and sandy soils. After hand-harvesting the grapes are co-fermented in small presses, plot by plot. The wine spends 6 months in used French oak before bottling.

65% Tempranillo; 30% white varieties as Dona Blanca, Palomino & Godello; 5% Garnacha and Garnacha Tintorera
