

SPAIN

Venta la Ossa Tempranillo

Vino de la Tierra de Castilla

With a broadened approach, this wine is born from the search of old vineyards in Castilla la Mancha, at high altitudes and where a traditional viticulture is employed, looking for that touch of maturity; it is very rare to come across vineyards like this in Castilla La Mancha. It is complexity in its purest state.

Red wine. 2018
100% Tempranillo
